

Fine-grained Lip Region Segmentation Dataset User Agreement

THIS USER Agreement ("Agreement"), by and between _____ ("Applicant"), with office at _____ , and AI & Security Lab, School of Cyber Science and Engineering, Shanghai Jiao Tong University ("Provider") in consideration of the mutual covenants contained herein, the parties agree as follows:

1. Fine-grained Lip Region Segmentation Dataset ("FLRSeg" in short) and other related documents, is subject to this AGREEMENT, hereafter referred to as "Dataset".
2. "Dataset" can only be used for research purposes. Any commercial usage is not allowed.
3. Applicant has no rights to publish, retransmit, disclose, display, copy, reproduce, or redistribute the "Dataset" or part of the "Dataset", under any condition.
4. Applicant shall not use the "Dataset" in any way that may cause damage to human health, leaks of personal privacy (such as personal facial and identity information), or other illegal practices. Applicant will take responsibility for any consequences resulting from unauthorized and illegal usage.
5. Provider does not provide any quality guarantee for "Dataset", and any damage and legal consequences arising by using "Dataset" shall be borne by Applicant.
6. Applicant shall give appropriate references to the "Dataset", no matter whether the whole or part of the "Dataset" is used, in any of the scholarly publications whenever and wherever it is mentioned. The recommended citation is as follows:
